Dear Friend,

The most wonderful time of the year is right around the corner, and before we know it there will be kids jingle-belling, marshmallow toasting, and holiday greetings!

As you begin your preparations for the holiday season we hope you will consider participating in **Alternatives For Girls' (AFG) Project Giving Tree!** Last year, donors like you fulfilled over 400 wish lists, ensuring all the girls, young women, and families at AFG had a most cheerful holiday season!

We invite you to “sponsor” an AFG Participant for the holiday season by providing a few gifts from their wish list. We ask the donated gifts be **new, unwrapped, placed into gift bags**, and within the price range of \$100.00 - \$125.00. We understand it can be a busy time of year, so if you do not have the time to shop, we will gratefully accept your donation of cash or gift cards to shop on your behalf.

Please note, while we do our best to assure that the sponsored program participant receives their gifts, there are special situations where the gift may go to another participant; for example, when an unexpected exit from our program occurs.

Program participant wish lists will be distributed to you beginning Friday, October 2, 2020; with a request to have your donations returned to AFG by **Monday, November 30th, 2020.**

With your support, Project Giving Tree can once again provide a holiday season to remember, full of cheer and joy! If you would like to be a Project Giving Tree Sponsor this holiday season, please e-mail Taylor Gawlik at tgawlik@alternativesforgirls.org. Thank you for your consideration!

Gratefully,

Dawn Barrack

P.S. Thanks to you, AFG is able to bring the cheer year after year! We could not do this work without you.
