

Alternatives For Girls helps homeless and high-risk girls AND YOUNG WOMEN AVOID violence, teen pregnancy, and EXPLOITATION & helps THEM explore and access the support, resources, and opportunities necessary TO BE SAFE, TO GROW STRONG, and TO MAKE positive choices in their lives.

SEPTEMBER 30, 2017

DEAR FRIENDS,

Alternatives For Girls is celebrating our 30th anniversary! There is so much to celebrate, and we are honored to celebrate with you. Because of your steadfast support during the past 30 years, we have sheltered over 4,000 young women and their children who were homeless and alone, we have responded to over 50,000 girls and others in crisis, overall impacting more than 120,000 homeless and high-risk girls and young women — and provided them with support and resources to enable them to make positive choices.

Every day, with your support, we are able to:

- Provide a safe and positive place for girls and young women, day or night, when they have run out of options and are exposed to the dangers of the streets.
- Assist girls and young women to stay in school, focus on their education, improve their grades, graduate from high school, continue their education with college or other post-high school training, and make big plans for their futures.
- Help girls and young women understand the risks involved in certain choices, and while helping them evaluate those risks, give them the leadership tools to teach their peers how to do the same.
- Be there, on the streets, to offer compassion and alternatives to those who are involved in sex work, as well as support and resources to victims of human trafficking.

Without your support, none of this would be possible. Over the past 30 years, AFG has survived and grown thanks to the support of thousands of individuals, businesses, foundations, government bodies, and corporations.

Thanks to you, AFG had the foundation necessary to continue to grow, both financially, with our 2001 capital campaign to build a brand new building, and our four-year “Securing AFG’s Future” campaign, launched in 2012 to build up \$1.7 million in reserve funds that allow us to keep our core services intact, engage in responsible fiscal long-term planning, maintain our facility, and grow our programs.

We began with a volunteer-led prevention program and a five-bed emergency shelter in 1987-88, and have grown into a multi-service organization that works to meet homeless and at-risk girls and young women wherever they are, and support their efforts toward safety, stability, and growth.

Within the past year, we’ve strengthened our focus on helping young women get into college and succeed through our Asset-Building Project for Education and Opportunity. We have received funding to begin implementing a Housing-First model for youth experiencing homelessness, and we’ve fortified our relationships with local and federal law enforcement to continue

supporting victims of human trafficking by participating in monthly sting operations where we act as victim advocates to ensure the safety and recovery of trafficking victims.

In the following pages, you will see the impact of your support through the annual statistics that reflect the work we do every day, as well as the latest chapter in the financial story of the agency. Thank you for your support in ways both big and small over the past 30 years. Your gifts of time, talent, and treasure have made a lasting impact. We are grateful for this opportunity to report back the impact you’ve made and the achievements of the girls and young women we serve.

PROGRAM HIGHLIGHTS 2016-2017

THE AFG SHELTER:

Provides safe shelter and counseling to residents and helps them acquire the skills they need to lead independent, productive and fulfilling lives.

- AFG sheltered 141 homeless young women and their children.
- 8,067 nights of care were provided to homeless young women and children
- 100% of the young women in the Aftercare Program, which provides case management, counseling, financial support for housing, education, and transportation, and more after they moved out of AFG's shelter, achieved safe, suitable housing.

THE AFG PREVENTION PROGRAM:

Works with girls ages 4 – 21, who are at risk of teen pregnancy, gang involvement, abusing drugs or alcohol and school truancy, to provide safe after-school activities and workshops aimed at developing positive self-esteem and bright futures.

- For the 17th year in a row, 100% of the high school seniors in AFG's Prevention Program graduated from high school.
- 100% of girls and young women in the after-school programs and the Rise N' Shine summer camp remained drug-free.
- 100% of the girls and young women in AFG's Asset Building Project established Michigan Education Savings Plans and began saving money for their college education.

THE AFG OUTREACH PROGRAM:

Helps teens and women engaging in high-risk activities understand the risks and transition to safe choices and healthy lives.

- A total of 215 hours of street outreach were provided to girls and women resulting in 4,800 total contacts. During these contacts, referrals were given out to homeless shelters (including AFG), substance addiction treatment, and other AFG services for further support.
- Our Resource Center was open for 1,453 hours. During this time, individuals were connected to services at AFG, or they were referred to additional homeless shelters, after-school programs, and health care services.
- 100% of participants in the Youth Outreach Program avoided early pregnancy.
